

BANDITA.

Overlooking the river on Gympie Terrace, Bandita is a modern Mexican restaurant and bar, with a BIG focus on wood fired cooking, a funky wine and tequila list, and delicious cocktails.

The team behind Bandita have years of experience running some seriously popular venues both here and abroad. If you want to have a great time while providing a truly memorable experience, then we are looking for you.

We are a group that is serious about work life balance... what's the point of living in paradise if you don't have the time and money to enjoy it. Come work for a great team, get paid well and enjoy career expanding training.

Recruitment and training will start immediately, so if this sounds like you get in touch!
